Sir:

Applicant hereby petitions to reinstate the above-identified application on the grounds of non-receipt of a Notice of Allowance. In this connection, with reference to a Notice of Abandonment mailed March 31, 2009 in which it is alleged that Applicant has failed to timely pay the required issue fee within the time period set therein, Applicant notes by review of PAIR that a Notice of Allowance was allegedly mailed on December 3, 2008, which Notice was not received by Applicant's attorneys of record. Therefore, Applicant was unaware of the time period set therein until after receipt of the Notice of Abandonment mailed March 31, 2009.

In further support of this Petition, Applicant notes the following:

As noted above, Applicant's representatives were not aware that a Notice of Allowance had allegedly been mailed on December 3, 2008, since the Notice was not received by Applicant's representatives, the law firm of Blakely, Sokoloff, Taylor & Zafman.

In this connection, the undersigned, who has responsibility for this file, has carefully reviewed the file, and determined that the Notice of Allowance allegedly mailed on December 3, 2008, is not contained within the file. Additionally, also submitted herewith is a Docket in Support of Petition to Withdraw Holding of Abandonment in which all items having a deadline of March 3, 2009 are listed, sorted by serial number, which Docket report is the complete docket for March 3, 2009 for the law firm Blakely, Sokoloff, Taylor & Zafman having a mailing address of 1279 Oakmead Parkway, Sunnyvale, California 94045-4040. Since the docket report is sorted by Serial Number, had the Notification been received, the present application serial number 10/713,943 would have appeared on page 4 of the report after the docket item for Serial Number 10/699,242 (which appears at the bottom of page 3) and before the docket item for Serial Number 10/714,198, which appears at the top of page 4.

In this connection, Applicant notes that the Notice of Allowance allegedly mailed on December 3, 2008 set a due date of three months from the date of the Notice, as the deadline. Since said three month date is March 3, 2009, had the Notice been received by Applicant's law firm, it would have appeared on the attached report at page 3/4 as noted above.

The above-noted application is associated with Customer No. 08791. It is noted that all correspondence received from the U.S. Patent and Trademark Office associated with Customer No. 08791 is received by Blakely, Sokoloff, Taylor & Zafman at 1279 Oakmead Parkway, Sunnyvale, California and is processed by opening the envelopes in which Patent and Trademark Office documents are received, and providing such documents to a docketing department at the same address who, upon receipt of such documents, cause the due date to be entered into the docketing system which generated the above-described report. All documents so received are docketed in this matter and, therefore, had the Notification been received, it would have been docketed as having a due date of March 3, 2009, and would have appeared on the attached report.

See the Declaration of Eric S. Hyman submitted concurrently herewith regarding the factual assertions set forth herein.

It is also noted that documents which are properly addressed are not necessarily properly mailed by the USPTO. For example, in Application Serial No. 10/648,169, the record shows that a USPTO communication was mailed in an envelope without an address label. Therefore, there can be no presumption of proper mailing of communications from the USPTO.

In the event any further Petition is required, Applicant hereby so Petitions. Further, in the event any fees are required, please charge deposit account no. 02-2666. If any fees are so charged, request for refund is hereby requested since that need to file this petition is not due to any fault of Applicant or Applicant's representative.

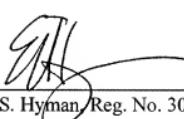

In view of the foregoing, granting of this Petition, and reinstatement of the subject application to pending status is requested, followed by issuance of a Notice of Allowance resetting the three-month date to pay the Issue Fee.

Respectfully submitted,

BLAKELY, SOKOLOFF, TAYLOR, & ZAFMAN LLP
